TRIMAX STRIKER

Trimax STRIKER is a multi-spindled rotary mower with extremely low maintenance requirements and is ideal for use on compact tractors.

The Trimax Striker is designed to give a high cut quality and an excellent spread of clippings. Highly versatile, the Striker is capable of mowing grass 10 to 100mm. With an enclosed cutting chamber and a downward rear dispersion of clippings, the Striker has surpassed international safety standards making it one of the safest mowers on the market for use in public spaces.

Fitted with Trimax's exclusive LazerBladez™, the Striker can produce a cut and finish to rival that of a cylinder mower and is ideal for educational and sports facilities where presentation is key!

The Striker has been built to withstand all conditions, a good solid mower. We had a test mow on delivery, the grass was about 150mm high and wet, it went great, made a good even cut leaving an even spread of cut grass, we thought it was the best mower we had ever seen.
